**Orientation Training of AAOs**

NICF is currently organizing the Orientation Training of newly promoted AAOs of the Department of Telecom posted in Delhi. The Orientation Training is being organized in batches of 40-45 participants and is spread over a two-week period. This training is aimed at providing introduction to general topics such as pension, RTI, APAR, establishment matters, etc. as well as specific topics concerning the Department of Telecom, such as License Fee (LF), Spectrum User Charges (SUC), Universal Service Obligation Fund (USOF), etc.
